Ensuring a Smooth Transition to the US

After being accepted to the American Success or American Honors program, students will have support from a personal Admissions Officer to help with the transition to the US. The Admissions Officer will provide detailed pre-arrival instructions that will guide students through the process of obtaining a US visa, securing housing, traveling to the US, and an overview of what to expect upon arrival.

An Admissions Officer will assist with:

- Visa Process & Steps
- Housing Application & Placement
- Travel Organization & Pick-up Services
- Packing Guidance
- Required Documentation
- College-Specific Placement Tests
- Special Orientation Programming

How 2-Year Programs Help Students Transfer

Students work closely with their advisors to apply, gain admission, and transfer credits to their university. Furthermore, students enjoy unique access to our National Transfer Network, the only one of its kind in the US. Graduates may apply to a combination of in- and out-of- network universities. Some American Honors network participants offer benefits that include, but are not limited to fee waivers, course transfer agreements, or conditional acceptance.

In their first year, students engage in leadership and career activities to increase their competitiveness to transfer to a higher ranked school.

Transfer Success: International Acceptances
